April 30, 2007

Dear Parents,

Please be advised that starting tomorrow, **Tuesday May 1, 2007**, a new dismissal procedure will be in place, as mandated by the Newton Police Department, to alleviate traffic congestion on Spring St (This only applies to the 2:30 P.M. dismissal). Attached please find a copy of the new plan to follow ~ hopefully, within a few days, this new approach will prove to be efficient and easygoing.

Also, the Newton Police Department will issue a new parking, or should we say "no parking" regulation. Starting tomorrow there will be absolutely no parking allowed on Jefferson Street, directly across from the school, during any day of the week including Sundays. I know this will be an inconvenience for both, the teachers and the parents. I thank you in advance for your understanding.

If you have any questions, you may call the Newton Police Department at 973-383-2525.

God's Blessings,

Jo-Ann M. Higgs
Principal
